The same courtesy extended on electrical services through **United Power**.

**United Power:** (978) 532-7300

## **WHEN YOUR HEATING OR COOLING SYSTEM BREAKS, WHAT WILL YOU DO?**

Even if you've never had a problem with your heating or cooling system, it can still break down without warning. Without a preventative maintenance plan finding prompt, reliable help can be difficult- if not impossible- during the busy heating or cooling seasons. We make it easy to safeguard your family and home, before a heating or cooling emergency catches you by surprise.

## **ENROLL IN A D.L. SERVICES PREVENTATIVE MAINTENANCE PLAN AND SIMPLIFY YOUR LIFE**

**What makes a D.L. Service maintenance plan different?** We're open 24/7. Your calls are answered by a person-not a machine. You'll get priority service, expert technicians and comprehensive parts and labor coverage when you need it most-all at a price that you can truly afford. By enrolling in one of our plans your will have peace of mind for your family. Regularly scheduled maintenance of your heating and cooling system will prolong the system's life, maximize operating efficiency and save time and money over the long run.

## **SERVICE YOU CAN TRUST**

Our skilled technicians know their business. Rely on them and our entire staff to give you fast, dependable, fair service. We are a fully insured company.

Please read insert about what each plan offers and covers. If you are interested in getting a maintenance plan we have enclosed an application to be filled out and returned to us. If you have any questions regarding any plan don't hesitate to contact us at the number above. We look forward to doing business with you.

Yes I'd like to enroll in D.L. Services easy-care preventative maintenance plan
